## Qualifications:

- Bachelor of Dental Medicine and Surgery with grade “*Good*”, Cairo University (June 1969)
- High Dental Diploma in Oral Histopathology with grade” *Very good*”, Cairo University (November 1972)
- Doctor of Philosophy (PhD) in Oral Pathology, London University, England (October 1980)

## Professional Experiences:

- Internship, hospitals and clinics of faculty of Dentistry, Cairo University (November 1969-October 1970)
- Demonstrator, Department of Oral Pathology, Faculty of Dentistry (1970-1973)
- Assistant Lecturer, Department of Oral Pathology, Faculty of Dentistry (1973-1981)
- Lecturer, Department of Oral Pathology, Faculty of Dentistry (1981-1986)
- Assistant Professor, Department of Oral Pathology, Faculty of Dentistry (1986-1991)
- Professor, Department of Oral Pathology, Faculty of Dentistry (1991 – 2012)
- Course Director of Oral Diagnostic Sciences ,College of Dentistry ,Princess Nourah University,KSA (2013- till 15 june 2017)
- Google scholar

### **Teaching Experiences:**

- Teaching oral histopathology curriculum undergraduate 2<sup>nd</sup> & third year Dental students, postgraduate students (Diploma, Masters and PhD courses).
- Taking part in seminars in Oral Pathology with special interest in recent topics, supervising practical classes, organizing slides for teaching purposes and diagnosis of out patient cases in collaboration with oral medicine and oral maxillofacial surgery departments.
- Member of the editorial board of the Alexandria dental journal( Egypt)
- Member of the editorial board of Madridge journal of case reports and studies(USA)

- Editing Oral pathology books, notes and handouts of oral histopathology for undergraduate and postgraduate students.
- Acting as an external examiner in Oral Pathology in different Universities(Sudan &Libya)
- Acting as scientific referee of Oral histopathology research papers submitted for publication
- Acting as scientific referee of Oral histopathology protocols submitted for postgraduate degrees (MSc &PhD)
- Supervising and taking part in various Oral histopathology research projects to accredit (MSc & PhD) degrees
- Acting as scientific referee in viva of Oral histopathology research projects
- Attending and contributing in dental congresses ( International and local)
- Member of the Editorial board of the Egyptian dental journal
- Editing Oral pathology books, notes and handouts of oral histopathology for undergraduate and postgraduate students.
- Acting as an External examiner in Oral Pathology in different Universities
- Acting Executive member in the project (Development of Students' Assessment and Exams) (DSASP) in Cairo University
- Acting as scientific referee of Oral histopathology protocols submitted for postgraduate degrees (MSc &PhD)
- Supervising and taking part in various Oral histopathology research projects to accredit (MSc & PhD) degrees

**Sense of organization &responsibilities:**

- Development of experimental design and planning skill
- Introduction to organizational strategies for manuscript writing
- Introduction to organizational strategies for scientific research writing
- Development of collaborative skills-with technicians, students and faculty members

#### **Awards:**

- Honorary award for overseas scholarship from the Egyptian government for PhD from London University ( United Kingdom)
- Honorary award for supervision of best Msc and PhD thesis from the scientific board of Cairo University
- Honorary award for international scientific publications from the scientific board of Cairo University

#### **Memberships:**

- Member of the Egyptian dental association(EDA)
- Member of the International American dental association research(IADR/AADR)
- Member of the oral medicine/oral pathology group (IADAR/AADR)

#### **Clinical Experiences:**

- Visiting Dental Consultant in Soliman Fakeeh Hospital (Ksa)
- Dental Consultant in Assir Dental Center (Ksa)
- Dental Consultant in El Jedhani Hospital (Ksa)
- Dental Consultant in private practice (Cairo)
- Dental consultant in college of dentistry Princess Nourah university (ksa)
